festivals
together.

look same.*

MEMO

*It's nice
to
have a new
dress!*

MEMO

*Wow!
I am
so
happy.*

MEMO

5

The hostel
children
go hiking
and
a walk
in the
village.

MEMO

It's really
exciting,
to visit
the different
places in
the village.

new session.

MEMO

Special
Lunch
is served
everyday
in the school
for the
children.

MEMO

We have
always ready
stock of
dress for the
new comers
in the hostel.
Sometimes they
come with
nothing. It's a pity.

MEMO

11

Training for the teachers.

We provide several trainings in a year for the teachers.

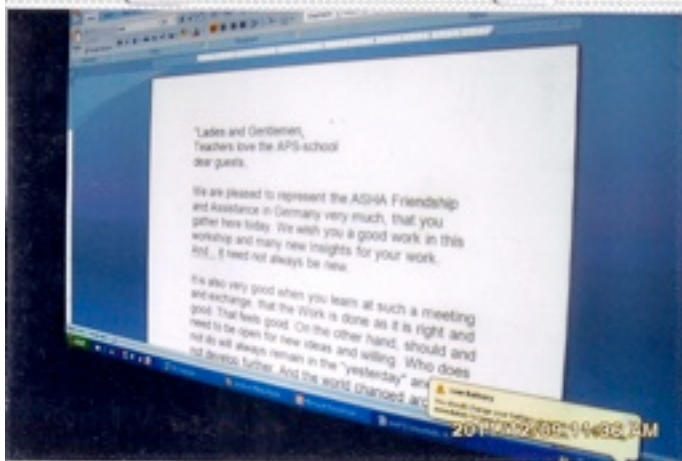

MEMO

Once a year, we organize a special training, (out-door of the school) conducted by the school management.

12
MEMO

Sharing the Experience and up-dating is very important.

MEMO

Mr. Josef had sent a letter to all the teachers, and it was displayed in power-point in the beginning of the training.

(13)

MEMO

Food is
Equally
important
as Education!

Lunch time.

2011/12/05 09:58:56

MEMO

Indoor trainings
are
usually
organized
for the
teachers,
inside the
School.

(14)

MEMO

All the Teachers
are very
happy and
they are doing
much better
with more
Energy and
happiness.

MEMO

From this
year, we
have given
high priority
to the
training &
work-shop
for our teachers.

(15)

MEMO

Some times
our APS
teachers are
sent outside
to participate
in educational
programmes
conducted
by other
educational
institutions too.

MEMO

So they get
opportunity
to share with
other teachers too,
and also
feel the
difference
between oneself
& others.

(16)

MEMO

And when
they come
back, again
they share
their knowledge
and experience
with our own
school teachers,
inside the school.

MEMO

So in rotation
basis, all
get the opportunity
to participate,
and develop
their skill,
through various
opportunities.
