The
Regular
Medical
Check-up
in
APS.

The doctor's
visit is
helping
a lot, for
the
children
to be
healthy.

this year.

9

There is
another
filter
for
the under-ground
water too.

So now
we have
enough
water
for
the children.

The problem
is solved.

(10)

We also
changed
the solar

(14)

The ceiling
in the
dinning
room,
was
made of
tin-roof.

Recently
we have
changed
it's outlook.

First
we kept
the plastic
sheet
under the
tin roof.

(15)

Then the
ply-wood.

The work
was done
recently.

Now it
looks
much
better
and
it stops
the heat
also.

Very soon,
we will
paint,
and it
will look
excellent.

In school,
they study
very well.

In hostel,
they also
do
very well.

They are
very lucky
children.

In the
Community,
Many Children
have not
got this
facility,
and they
don't go
to
school.

But
our APS
Children
are
very fortunate

They are
very happy
to study.

(29)

Every year
we
celebrate
children's
day
in APS.

This is a
good
festival
to
create more
love & respect
between
the pupil
and
the students.

(31)

The children performed various fun activities to celebrate this day.

The smallest child was the chief guest to cut the cake.

(32)

After few weeks,

There was another festival called

"Teachers Day"

All the teachers were honored and the children sang songs for them.

Vocational
Gardening
by
the
children.

They grow
flowers

vegetables
and
take care
of
the plants.

It's a training
for them
to love the
nature.

We have
a very
small
place
for this

But still
the children
have done
very well.

Very Lucky
Children.

This year,
we celebrated

3rd happy
year
of
the APS

Hostel.

Thank you
very much!

31 children
are
with us
now.

(54)

All the
kids
enjoyed
very
much.
