Wonderful Moments!

≈ Health - Check ≈

Regular health check-up
for our Asha children.

Dr. Sudei has helped us
a lot, from the beginning, to
help our students to be healthy.

Health-Camp (Teeth)

Very soon, we are taking the kids to the clinic for refill - pullout + repair of the damaged teeth of our students.

Health-Camp (EYE)

It's a great facility for our Students to get such opportunities in our Asha School.

Thank - you very much, for this support.

≈ Flood - Food Distributions ≈

Last year in September 2024, there was a heavy flood in our district/country and many families, also our many parents and the children were badly affected. The above picture is from our hostel area. The situation was terrible.

Many people lost their home.
The families, who were living, close
to the river area, were more affected.

Luckily, we had Felicie, here in our Ashe School, as a volunteer, before that flood. Her father Dr. Hans-Martin Schneble had also visited us, to meet her daughter. So we heartily requested Dr. Hans, for some food distribution to the affected families. He was so generous. He accepted immediately, and the help started. Thank you Dr. Hans & friends for this Help!

Immediately we started the work. We bought lots of food items, tents, blankets and necessary relief materials. Isabel was here that time, and she was directly involved with the distribution.

Pictures speak itself!

The people were very happy.
It was a great help, in their
difficult time!

There was the first, second
and third distribution!

Later, Lena arrived, and both
the volunteers were actively
involved in this great holy work.

The families were extremely happy to get the blankets, tents, food items, and also a bit of money for vegetables.

Later, we added more blankets and tents for the distribution. It was so urgent.

A Great help, at the
time of need!
Thank you Felicie, Dr. Mans
and all the friends & families
for this generous support!

The Asha Hostel Kids, also received a very nice blankets! The children were very happy.

Also the parents received
the necessary food
and
other materials. They were so happy.

Thank you again!

On March normally!

Heater is a very good friend
in the winter.
We have fixed a separate system
for the volunteers, in their room.
Lena is happy to show her device,
from the volunteers room.

We celebrated the happy Birthday
of Sophia in our School.

A Special moment in Nepal
to celebrate the Birthday!
Happy Birthday
Sophia.

The hostel children made
lot of greeting cards too.
